Karla Helder is in her fifth season as the men's and women's diving coach at the University at Buffalo and has helped the Bulls produce notable accomplishments in the diving program. While at UB, Helder has been instrumental in developing a strong diving program that featured new school records for both the men's and women's teams. In her previous four seasons, she has coached an ECAC men's champion and two All-Mid-American Conference divers and six regional qualifiers, and in 2008 had two divers qualify for the NCAA meet for the first time in school history. A two-time NCAA Division II National Diving Coach of the Year, Helder came to Buffalo after nine seasons at the University of California at Davis, where Helder coached four national champions to four separate titles and 36 All-Americans. She was named PCSC Men's Diving Coach of the Year in 2000 and 2003 and she also earned the conference's Women's Diving Coach of the Year award in 2001.

Helder has earned 30 national diving titles herself. Most recently, at the 2008 U.S. Master's Nationals, Helder won her age group events, and setting two new American records, breaking her own set in 2004. In 2003, Helder set a World FINA record on three-meter and captured gold in one-meter event as well.

In addition to UC-Davis, Helder has coached at Chico State and Clemson University. She was also the coach for the Venezuela Junior National Team of Anzoategui in 1991. At the 2003 Junior Olympic Summer Nationals, she

Please Note: NCAA rules prohibit a Representative of UB's Athletics Interests (a Booster) who is not naturally or legally responsible for a prospective student-athlete (grade 9-12) from providing any expenses to attend a camp or clinic. Violation of this could result in loss of NCAA eligibility for the prospective student-athlete.
